

Does the thought of investing in stocks keep you up at night?

If you're like many investors, you worry about the stock market's ups and downs.

What if you could help protect your investments and still generate income for the long term?

Ask me about Equitable's Accumulator® deferred variable annuity.

- **Guaranteed Interest Option**
- **Lifetime income options**
- **Guaranteed Death Benefit option for your beneficiaries**
- **Wide variety of investment options**

YOUR FUTURE. YOUR WAY.®

www.AXAonline.com

Variable annuities are long-term investment products designed for retirement purposes. Annuities have limitations. Certain types of contracts, features and benefits may not be available in all jurisdictions. Guarantees are subject to claims-paying ability of The Equitable Life Assurance Society of the United States (Equitable). A current Accumulator® deferred variable annuity prospectus contains detailed information, including risks, charges and expenses. Please read the prospectus carefully before you invest or send money. Accumulator® is a registered service mark of Equitable. Securities and investment advisory services offered through AXA Advisors, LLC (NY, NY 212-314-4600), member NASD, SIPC. Annuity and insurance products offered through AXA Network Insurance Agency, LLC and its affiliates. Contract Form #94ICA/B, #94ICIA/B, #95IM, 2002BASEA/B and any state variations. Matthew Pime and Rich de Gout are licensed to conduct business in the state of California. GE-25045(a) (11/02)
